We are located in the European Union, Croatia

Top quality textile made in EU.

Our factory has the following certificates and standards

All materials we use are certified, cottons as well as all polyesters

Our factory is a Solso factory from L'Oréal, project MS 1314

Zero-waste production

EU manufacturing with a workforce of 99% women

Social impact partnership

We partner with an award-winning, certified Croatian social enterprise. It employs people with disabilities and members of other socially excluded groups through textile waste management.

All textile waste from our cutting room is sent to this partner.

Upcycling and recycling

Old textiles, given a new life

1 Sorting

Old textiles are sorted and prepared for a new use.

Sorted materials become

2 Textiles from waste in creative workshops

3 Workwear for industry

4 Industrial felt production

More jobs for people with disabilities, with a better quality of life

Create your own bag

Six steps from fabric selection to delivery

1

Choose the fabric

We offer many fabrics in stock and can produce additional options on demand.

Cotton in stock 140, 200, 240, 300 and 350 gsm
Polyester in stock 160, 200, 240, 260 and 300 gsm

2

Create a design or send your logo

If you do not have a design team, we can help. Send us your logos and requirements, and we will create the best product for your budget.

3

Send us your budget

We offer several fabric qualities and will recommend the best product for your budget, with the goal of delivering the best value for money.

4

Receive the PP proof

Once we have all the information, we will send a detailed PP proof within 24 hours for order confirmation.

5

Review the PP sample

After proof approval, we prepare the PP sample for your review.

6

Production and delivery

We ensure on-time production and welcome inspections at any stage. Before delivery, we send production photos, the required documents and proof of delivery. We can deliver to your address or your client's address in Europe.

Suggested bag sizes by fabric width

Available fabric widths: 150 cm and 160 cm.
Recommended bag dimensions depend on the selected fabric width and material.

150 CM

Recommended for most coloured cotton bags and other materials such as Tyvek, soft shell and PU.

160 CM

Recommended for most natural cotton bags and most polyester bags.

Webbing handles
Available in polyester and cotton

Polyester	Cotton
2 cm	2 cm
3 cm	3 cm
4 cm	4 cm
6 cm	6 cm

Important

We recommend webbing handles as the more cost-effective option. Handles made from the bag fabric require more expensive EU production than machine-produced webbing.
